

TaylorWorld™ Blerontin Market 1.

The party find themselves outside Blerontin's Market Square, they stayed over night from the church in a local inn, while outside the market square they were given a note, from the the local magic shop owner, asking the party to help him and the local law enforcement to find the woman who is using magic to steal valuable magical items, this woman has been selling them off for profit and undermining the local magic shop.

The party finds itself outside the towns market square,
