Personal Profile: I am able to demonstrate with over eighteen years' experience in an IT environment and customer facing roles, extensive and broad IT knowledge and customer service skills and a high willingness to learn. My work experience demonstrates a consistently high level of punctuality, good communication skills as well as being a good team worker. I always work to ensure that tasks are completed on time and to a consistently high standard.

Key Skills:

- IT: I have extensive IT skills with a variety of software and hardware knowledge. I have successfully completed IT training courses and I support others to effectively use technology
- Own initiative: I am able to work using my own initiative, effectively and efficiently working independently, planning my tasks for the day, under limited constraints, especially during busy periods as demonstrated in my previous retail roles especially with The Entertainer
- Team work: I am able to effectively and efficiently work in groups and support others, as demonstrated in all my previous work experience
- Languages: I have fluent German language skills, both written and verbal, after living in Germany for 11 years
